Instructions for completing AE Form 190-16A

Block 1. To

Enter the name of the servicing installation access control office (IACO).

Block 2. From

Enter the name of the sponsoring official's organization.

Block 5. Applicant's home address

Enter the mailing address of the applicant.

Block 6. Applicant's work address (Company, organization, unit) and telephone no.

Enter the address and telephone number of the unit of assignment. This address will depend on the applicant's person category. For example, for local national employees, enter the hiring organization's address. For contractors and delivery personnel, enter the address of their company.

Block 7. Person category

- » Conveyance
- » Facility Use/Vendor
- » Foreign Civilian Visitor
- » Foreign Government Civilian/Local National Employee
- » Foreign Government Contractor
- » Foreign Military/Foreign Military Dependent
- » Long-Term Visitor
- » Personal Delivery (recurring deliveries or similar services not associated with a Government contract)
- » Personal Services
- » Privatized Housing
- » U.S. Government Contractor
- » Volunteer
- » Other

Block 9. Personal ID number

Enter the personal identification (ID) number or the passport number from the supporting document used. The applicant must have one of the following supporting documents:

- International Passport
- European Economic Area (EEA) national ID card issued by the country of citizenship (for example, the *Personalausweis* in Germany, the *Identiteitskaart* or *carte d'identité* in Belgium, the *carta d'identità* in Italy)
- NATO ID card (Allied Command Operations or Allied Command Transformation Mission Identification System ID card)
- Host-nation (HN) military ID card
- EEA HN government-official ID card (for example, *Dienstausweis* in Germany)
- EEA HN police ID card (for example, *Polizeidienstausweis* in Germany)

Block 10. Supporting documentation expiration date

Enter the expiration date of the supporting document (for example, expiration date of passport or German *Personalausweis*).

Block 11. Residence permit required?

If required, check the appropriate box to indicate whether a copy of the residence permit is attached. See AE Regulation 190-16 for guidance.

Block 12. Work permit required?

If required, check the appropriate box to indicate whether a copy of the work permit is attached. See AE Regulation 190-16 for guidance.

Block 13. Access requested

Check the appropriate box.
If requesting a renewal, also select if it is a DBIDS 5 Card or a CAC renewal.

Block 19. Limitations/time/day access is required

Only enter the day(s) and time required for regular and recurring access. This can be done for each installation if required. Please use block 28 if more room is required. Justification is required for "24/7" access (for example, to support 24 hr operations: guards, hospital staff, law enforcement/fire-emergency response /airfield operations, billeting).

Block 20. Pass expiration date

This field will be validated by the IACO. Justification for this date must be provided. A temporary installation pass is valid for up to 90 days. The expiration date of an installation pass depends on the limitations of the person category (block 7) and the expiration date of the supporting document (for example, passport) that was used to obtain the installation pass. The expiration date will be whichever date is earlier.

Block 21. FPCON restriction

Enter the force-protection condition (FPCON) restriction.

- Delta (provide justification, including first or emergency responder duties)
- Charlie (provide justification, including a list of essential duties)
- Bravo

Block 22. Installations for which access is required

The sponsor must provide the names(s) of the installation(s) their applicant requires regular and recurring access and specific justification for the applicant's access requirements. Access is limited to the installation(s) required for the applicant to perform his or her duties on a daily basis (for example, Clay Kaserne). If additional access is required temporarily (for example, a meeting or training) the sponsor may email the IACO that has the applicant's documents via official email one business day in advance and request access and provided justification with an expiration date. The IACO will review the request, if approved, print the email to PDF, upload it to the shared drive, and update DBIDS 5 with the access area and expiration date.

Block 23. Visitor-sponsor/sign-in privileges

Visitor-sponsor privileges are the exception versus the rule and depending on the category, requires USAG commander or their designee's approval. Check the appropriate box to indicate whether visitor-sponsor and sign-in privileges are required. If these privileges are requested, the sponsoring official must include a justification in block 23. The justification must explain why the applicant requires these privileges in the performance of duties. Please use block 28 if more space is needed.

NATO member and *Department of State* and *American Embassy* person categories default to visitor-sponsor and sign-in privileges authorized; no justification is required.

Block 24. Privately owned vehicle (POV) registration information

- a. State the license plate number exactly as it appears on the plate.
- b. State the country for which the license plate was issued.
- c. State the make of the vehicle (for example, Opel, Saab, BMW).
- d. State the model of the vehicle (for example, 325i, Astra, 190E, S60).
- e. State the year the vehicle was manufactured (YYYY).
- f. State the body type of the vehicle (for example, 2-door sedan, bus).
- g. State the color of the vehicle.

Block 25. Required attachments

Check all applicable boxes and provide photocopies of supporting documents.

Block 26. Verification by sponsoring official

State the name, title, organization, telephone number, and e-mail address of the sponsoring official. The IACO must have DD Form 577 on file to verify the sponsoring official's authority.

Block 28. Additional comments

Provide any additional supporting information or justification.
