- I have reviewed the results of all background checks required by AE Regulation 190-16 and verify that there is no derogatory information that would preclude the issuing of an installation pass.
- I verify that the applicant has been informed of the purpose and proper use of the installation pass. I have reviewed AE Regulation 190-16 and believe this packet is administratively correct and fully and accurately indicates the applicant's access requirements. However, if there is a problem or you need further information, please contact me.
